The goods and services shown herein are those we provide to our customers. You may choose only those items you desire. However, any funeral arrangements you select will include a charge for our services. ## **OUR GUARANTEE OF EXCELLENCE**

*We believe that trust is built on a relationship of openness and honesty. That is our pledge to you.*

*On the following pages we have provided you with an itemized schedule of our fees for the services we provide. We recognize the fact that some of our fees are different than fees for services in some other area funeral homes. The fees charged by others, whether greater or less, are not for comparable services.*

*We are committed to memorializing the life and accomplishments of your loved one. We sincerely believe that his or her life was special in many ways, and that the relationships forged by that life must not be ignored as we plan an appropriate tribute. We rely on your openness in sharing the unique qualities of the life lived in order for us to create the appropriate recommendations for a personal tribute. Just as every life is different, we will work with you to design a memorial experience that is as uniquely different and as special as your loved one. All that we do should assist in remembering his or her life in a beautiful and unique way.*
